31<sup>st</sup> August 2021

Dear Parents and Carers,

As we approach the beginning of the new academic year, I hope you have all had a restful summer break. The start of a new year is always exciting and with some changes already in place and more school development planned throughout the year, we are definitely making progress towards our Ofsted journey of improvement.

Over the last few months, our staff have been working hard to implement some changes that will positively impact on the children's learning and hopefully make your lives a little easier too!

## **Start and Finish times**

The school gates will open at 8:45am every morning and children will be going straight into class. As we no longer have to stagger drop off and collection times, the school gates will be locked at 8:55am. If your child arrives after this time, please take them to the Key Stage 1 office and sign them into school.

The school day will end at 3:15pm, parents will be able to collect their children from the appropriate school playground.

## **Wrap-around care**

From September, we will have one wrap-around care provider. This will be run by LASK and will be held on the EYFS/Key Stage 1 site. This will mean that siblings will be together and parents will only need to complete one drop-off/collection. They will be using the Church doors, which is more easily accessible than the Key Stage 2 site.

If you would like to book your child a place for wrap around care, please see the link below where you will find all contact information:

<https://www.ourladyscatholic.northants.sch.uk/page/?title=Wrap%2Daround+Care&pid=100>

## **Key Stage 1**

Over the summer, we have had some building work completed in the Key Stage 1 area. This has created 4 separate classrooms, which will support children's development without the added distraction of other children and lessons! This work will be continuing during future holidays to ensure that the children's learning environment meets their needs.

## **Offices**

From September, we will have one main school office for all of your queries. This is based in the EYFS/Key Stage 1 building. The Key Stage 2 office will be closed to parents and visitors.

### **ClassDojo**

We have signed up to ClassDojo which is a school communication platform that teachers, students, and families can use every day by sharing what's being learned in the classroom and at home through photos, videos, and messages. Please download the free app on the Android and iPhone App Store ready for your children starting back. Each child will bring home a log in for parents to join the classroom home page. In addition, children will now receive their house points electronically and parents will receive a notification via the ClassDojo App so you will know when your child has been successful!

### **Extra-Curricular Clubs**

From September, we will have a range of additional clubs on offer. Pacesetters will be starting the first week back to school. If you would like to book a place for your child, please book online or call Pacesetters directly.

We are also looking at adding some creative clubs and the return of Hotshots Basketball Club. More information will follow once the term has started.

### **PE Kits**

Some changes that were implemented due to the pandemic really made sense, so we are continuing with the decision to let the children wear their PE kits on their PE days. We will be sending out information to confirm PE days before the term begins. Please ensure your child has appropriate school PE kit for the weather. The school PE Tracksuit is lovely and is available from:

Once again, thank you for your continued support on this journey of improvement. We are really excited about the new year ahead and welcoming your lovely children back!

Yours sincerely,

Miss E Gribble  
Acting Head of School
