Household Support – Winter Hardship Fund

The government Household Support Fund aims to support households most in need of financial support this winter. Applications for a grant from the fund will be accepted from 1 December 2021 until 31 March 2022 (or until advised). This is a national scheme providing financial support to households struggling with the cost of living over the winter period. This covers a wide range of vulnerable households including those with or without children. The support fund is built around three support schemes:

School holiday food vouchers: Giving food vouchers during the school holidays directly to the parents or guardians of children living in low-income homes.

Household hardship vouchers: Supporting residents facing financial hardship with supermarket vouchers to buy food, essentials, and support household budgets to pay essential bills.

Winter fuel bank: Keeping the heat and light on in homes which have pre-payment energy meters by sending emergency top-up vouchers to households who lack the means to maintain supply. Please remember, you can also contact your energy supplier for additional support in the event of severe hardship.

Applying -If you already receive means-tested free school's meals you do not need to do anything, you will automatically receive school holiday food vouchers. Parents of eligible electively home-educated children, or those without a school place should call [0300 126 3000](tel:03001263000) to request a school holiday food voucher.

You can apply for household hardship vouchers or the winter fuel bank pre-payment meter top-ups, via the Citizens Advice Bureau. To find your nearest Citizens Advice Bureau please visit [Search for your local Citizens Advice Bureau](#)

Or telephone [01536 265501](tel:01536265501) (Corby) or [01536 482281](tel:01536482281) (Kettering) or [0808 196 9443](tel:08081969443) (Wellingborough and East Northants) or for West Northants please ring [0808 196 9443](tel:08081969443). **Lines may be very busy so** please leave your name and contact number and what fund you would like to apply for e.g. Household Support Fund. Somebody will get in contact with you.

NORTHAMPTON

Pop up Play Village

Here at Pop Up Play Village, we make child's play of the world – inspiring and nurturing young minds in equal measure.

Our aim is to provide a safe and inviting space in which children and their parents can unleash their creativity and let their imaginations go wild.

Pop Up Play village is made up of role play areas. We'd call these sets or scenes if we worked in the glamorous worlds of TV or theatre – but sadly we don't! We have a hospital, vets, baby nursery, supermarket, café, construction site, library, baby play area, art studio and outdoor explorer zone. Each one filled with high quality toys, props and dressing up kits – specially sourced and impeccably clean.
