10th January 2022

Dear Parents and Carers

As we are all aware, it has been a tough two years with the pandemic and the impact this has had on our Mental Health.

We have joined forces with our local NHS Mental Health Support Team to provide support for all of our school community.

The Mental Health Support Teams (MHST) have been created to offer early intervention, low intensity, mental health support within schools for children and young people with mild to moderate mental health difficulties. The MHST will also support the Mental Health Lead in each education setting to introduce and develop their Whole School Approach. The MHST will also offer support and advice to education setting staff to identify the most appropriate services for their need and help liaise with other appropriate services.

Please complete the surveys below to help us shape our provision moving forward:

Student:

Thank you for your continued support.

Kind regards

Miss Gribble
