

OUTDOOR LEARNING IN EYFS

We are very excited to be starting our outdoor learning sessions soon.

Outdoor learning plays a crucial role in helping children to make sense of the world and grasp the basic concepts of science. Taking away the classroom walls and allowing children to experience the true wonders of nature can increase confidence and self-esteem through exploration and problem solving.

**Starting
Wednesday
12th October**

Every Wednesday morning we will be visiting the wooded area within the school grounds.

Your child will wear normal school uniform but will need to bring to school:

- Wellies or waterproof boots
- Hat, gloves and a warm coat (when the weather gets colder)

Please make sure everything is clearly named!
