Dear friend

Thank you for the elephant you installed in our village.

I am Vilarie Nyamundanda. I am eleven years old. The elephant pump you installed is easy to operate. We have benefited a lot because we no longer walk long distances in search of water.

The water from the pump is free from diseases. We use the water for cooking, drinking and for our livestocks to drink. Above all, it is so close to our home.

People passing by and school children also stop and have a safe drink. The water is so nice to everyone.

Thank you dear friend. May the Lord continue to bless you.

Yours sincerely

Vilarie Nyamundanda
