Dear Parents and Carers,

Parent Consultation Letter – Relationships and Health Education

Relationships Education and Health Education has become statutory in all primary schools in England. This new subject will build on the non-statutory lessons we have previously taught in RSE.

As a Catholic school, our mission is to support the spiritual, moral, social and cultural development of all of our pupils, rooted in the wisdom and teaching of the Church. The Church teaches us that this is very much a partnership with parents, in which parents are the 'first educators' of their children on these matters; ultimately, you confer on us the right to co-educate your children with you.

We have been researching various programmes that are available and have decided to adopt Life to the Full by Ten Ten Resources. Ten Ten is an award-winning Catholic educational organisation that is well-respected and very experienced in this field of work.

Life to the Full has been approved by our Diocese. Furthermore, Ten Ten have entered into a partnership with the Catholic Education Service and the Department for Education to provide training for teachers in Catholic schools on the subject of the new statutory curriculum. Therefore, we are confident that this programme is a very good fit for our school.

Through their programme, Ten Ten understand the foundational role that parents have in educating and nurturing their children on these matters. Within the programme, they have built in resources which will not only keep you informed about what is being taught in school, but will also give you the opportunity to engage your children in discussion, activity and prayer.

We would like to have your feedback on the curriculum we have chosen, and particularly on the key decisions that we need to take regarding the teaching of certain topics. To this end, we have opened a consultation period during which we welcome your feedback.

Ten Ten have provided an online Parent Consultation Tool. This is a simple-to-follow, short online course which:

- Outlines the statutory changes that will take place.
- Articulates a vision for Catholic Relationships and Health Education.
- Explains how Life to the Full aims to help us fulfil the statutory curriculum with a Catholic ethos.
- Provides some information about key decisions we need to make, in consultation with parents.
- Answers some Frequently Asked Questions.

Ten Ten have also provided an Online Parent Portal which will be a tool we can use throughout the year to keep you informed and updated about the work we are doing in school.

To take part in the consultation, please do the following:

- Access the Parent Consultation Tool here:

www.tentenresources.co.uk/parent-consultation-primary

- You will need the following login credentials for our school:

Username: **OLCPS Parents**

Password: **RSE2023**

- Undertake the Parent Consultation course provided.
- Complete our **questionnaire by 12:00pm on Wednesday 15th March**, which will enable you to book a place at our **parent information meeting on Wednesday 15th March at 2:15pm**.

Following our consultation, on Friday 24th March, we will send out a further link to a short questionnaire. This will require you to identify your child's year group and whether you feel that we should cover the additional (non-statutory) elements of the Curriculum. Our decision to cover these elements will be based on your feedback, as it is important that your voices are heard regarding these key decisions.

We hope that our approach not only assures you about the new curriculum we are going to undertake and we hope that this will be an important and exciting opportunity for our entire school community.

Yours faithfully,

Miss Gribble
