

Our Lady's Catholic Primary School

Relationships and Health Education Consultation

Relationships and Health Education (RSE) has become statutory in all primary schools in England.

This new subject will build on the non-statutory lessons we have previously taught in RSE.

As a Catholic school, our mission is to support the spiritual, moral, social and cultural development of all of our pupils, rooted in the wisdom and teaching of the Church. The Church teaches us that this is very much a partnership with parents, in which parents are the 'first educators' of their children on these matters; ultimately, you confer on us the right to co-educate your children with you.

We have chosen Ten Ten as it is an award-winning Catholic educational organisation that is well-respected and very experienced in this field of work. Life to the Full has been approved by our Diocese. Furthermore, Ten Ten have entered into a partnership with the Catholic Education Service and the Department for Education to provide training for teachers in Catholic schools on the subject of the new statutory curriculum. Therefore, we are confident that this programme is a very good fit for our school.

Here is a Prayer that you
can pray with your
children:

Lenten Prayer

Loving God,

Help us to work together
to share what we have
so that everyone has
what they need.

Help us to build a better
world

where each of us can be-
come the best person we
can be.

Amen

GIVE, FAST, PRAY

**PUTTING OUR PRAYERS AND WORDS INTO ACTIONS THIS
LENT TO HELP OTHERS**

Challenge 1: Work as a team with your class and aim to bring in 40 items for the Food Bank. Essential food items that you usually donate.

Challenge 2: Try to earn 40p, through supporting at home, which will be used to buy Easter treats for the families who use the Food Bank.

Do you remember why the number 40 is so important?
