

22<sup>nd</sup> June 2023

Dear Parents and Carers,

## Activities Week

26<sup>TH</sup> - 29<sup>TH</sup> JUNE

Next week is our school's annual 'Activities Week' where we celebrate being healthy and active. Each day, the children will be taking part in different physical activities so will need to be dressed appropriately in their school PE kits. The focus of the week will be on enjoying movement and learning more about how to keep fit and healthy, both physically and mentally. The children will have the opportunity to try out some new skills and to refine their existing ones, working both individually and within a team.

During the week, try to share some time to discuss sports and activities. Perhaps, you could share some of the games that you used to play at school. You may want to focus on some of the current events and watch or try some sports together like the cricket Ashes series against Australia for both our Men's and Women's teams, the upcoming Women's football world cup or even some of the tennis tournaments leading up to Wimbledon.

We are hoping for continued good weather so please ensure that your child is properly equipped with their school water bottle, sun hat and have sun cream applied in the mornings.

On Thursday morning (29<sup>th</sup> June) at 9.30am, we have our School Mass in St. Edmund Campion Church to celebrate the feast of Saint Peter and Saint Paul. It would be lovely to see you there if you would like to join us.

The school will be closed next Friday 30<sup>th</sup> June as it is a Training Day.

Many thanks,

Mr P Tarbuck  
PE Lead
