CATHOLIC SCHOOL'S INSPECTORATE INSPECTION

The Catholic School's Inspectorate has said we are a

Good School!

We have emailed you a copy of our Inspection Report. We have many achievements to be proud of, and we are also aware of how to become even better!

"The mission statement is embedded throughout the school. It is well-known and understood by all and has a positive impact on relationships across the school community."

"Pupils' daily interactions with each other indicate that they understand the importance of acting with love and compassion"

"The quality of pastoral care for pupils as individuals made in the image of God, results in children presenting as happy, confident and feeling safe and secure."

"Pupils are proud of their work in books which shows good coverage, is well presented, and personalised by individual pupil photographs."

"Leaders and the parish priest work hard to forge outstanding links between school and local parish, impacting strongly on their ability to serve the community"

A huge thank you to all of our parents and carers, who responded to the survey, spoke with Inspectors and continuously support us on our journey of improvement! We would also like to thank you for choosing Our Lady's and staying with us throughout the challenges.

Finally, we are very blessed to have such wonderful children at Our Lady's and we are very proud of them!

If you would like a paper copy of the report, please request one from the school office.
