

Our Lady's Catholic Primary School

Year 3 Curriculum Newsletter: Summer Term

We will start the term with a two week unit on fractions. This will be followed by a unit on money and then time where we will focus on telling time to the nearest 5 minutes.

For the second half of the term, our focus will be on shape and statistics.

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12
per term	Number	Measurement	Measurement	Geometry	Statistics							
	Fractions B	Money	Time	Shape								
												Individual

Reading, writing and SPaG continues to be taught daily. Reading lessons will focus on reading fluency, speed and accuracy as well as skills to further develop comprehension. This will be further supported through our Clever Writer teaching sequences, which focus on journeying through a text. Through these modelled and shared writing lessons, it leads to the children having the opportunity to plan, draft, edit and improve their writing.

Our focus is plants and flowers and making connections. Children will learn what plants need to grow.

They will develop understanding through practical experiments. We will also bring together learning from all of our science topics to make connections.

Changes in Wellingborough

How has Wellingborough changed over the years?

The key question above will be our focus for this term on which our learning will be based. We are hoping to explore the local area and see first-hand how changes have affected Wellingborough.

Reminders PE days:

Monday and Friday.

Full PE kit to be worn to school.

Please ensure children do not wear earrings on PE days.

RE

Pentecost: We will be learning about Pentecost and that the gift of the Holy Spirit gives us the energy and the power to live the way of Jesus.

Choices – We will be learning that the Sacrament of Reconciliation is a celebration of God's love and mercy; it is about the forgiveness of sin and being reconciled with God and one another.

Special Places: We will be thinking about special places we each have, as well as looking at special places for Christians. We will examine why these places are special. As well as learning about Islam and looking at their special places.

Humanities

This term's focus is '*Changes in Wellingborough*'. In Geography we will look at the changes to human and physical features in the local area. History will focus on significant changes to the town and the impact on residents.

Creative Learning

In Art, we shall be studying Impressionism. We will use various techniques to create local '*Cityscapes*' of Wellingborough.

SCARF

PSHE

SCARF

Our themes during PSHE lessons will focus upon 'Being My Best' and 'Changing and Growing'. We will look at relationships and developing empathy.

Explorers Home Learning Project

Please complete each task at home and have them all in school by Monday 24th June so that you can showcase your learning. The best way to manage your time will be to complete one or two tasks every two weeks. As soon as you have completed a task, bring it into school to share with your class.

Create a map of your local area. Detail your house, our school and other local services such as shops.

Research and create a fact-file on the history of Wellingborough Zoo.

Research the life of a famous person from Wellingborough. Present your facts in a creative way.

Create a 3D model of a local landmark.

Create a piece of art connected to our 'Changes in Wellingborough' theme.

Create your own timeline of events that have happened in the local area.

Interview someone at home. What changes in the local area can they remember?

WILD CARD: Use your imagination and surprise us!

Supporting your child at home...

Reading

Please listen to your child read every day to support them in becoming a fluent reader and to build their 'reading mileage'. Asking questions will also help your child to process and comprehend what they are reading. Reading to your child is a great way to model how a story should be read using expression, punctuation and intonation. Children are expected to have a book from our Reading Scheme (which is closely matched to their reading ability) and a free choice book from our School Library.

Healthy child, Healthy mind!

CHILDREN Sleep Tips!

Bedtime Routine
with activities & habits the same every night

Consistent Bedtime
that allows the needed amount of sleep – during weekend too

Daily Exercise
to burn energy & increase body temperature

Set the Scene
with a calm atmosphere in a room that's cool & dark

Small Snack
before bed that is light & healthy - so not hungry

TURN OFF DEVICES
at least an hour before bedtime

Prayer Focus

During the Summer Term, our daily prayers are produced in partnership with Mission Together, which is the children's branch of Missio, the Pope's charity for world mission. Designed to coincide with the Feast St Peter and St Paul (29th June), the *Day of Many Colours* is Mission Together's annual day of celebration. It is a time to remind children that we belong to God's worldwide family and is based on the five 'continent' colours of the Mission Rosary. Each day, the children will focus on a different continent and pray the Mission Together Prayer which you could also pray at home.

Mission Together

Mission Together Prayer:

May all children
In the world
Share love
Share friendship and live
In the peace
Of God's love.
Now and forever.
Amen
