

BEAVERS

Beavers are young people aged 6 to 8 who:

- Master new skills and try new things
- Have fun and go on adventures
- Are curious about the world around them
- Help others and make a difference, on their own doorsteps and beyond

Beavers gather in groups called Colonies to hop, skip and jump their way through lots of different games and activities – achieving anything they set their minds to, and having lots of fun along the way.

6-8

#SkillsForLife

Going to Beavers is very different from going to school. Instead of learning from books, you'll figure the world out by exploring, playing and doing.

The most important skills you'll learn at Beavers are the ones that will make you feel super strong standing on your own two feet.

This includes things like **honesty**, **initiative** and **teamwork**. It's all about having the courage to try new things and learn from them.

Activities

Earn badges, get active and embrace the challenge!

We believe that young people learn by doing, so our programme is bursting at the seams with a magnificent variety of activities, which engage and challenge young people of all abilities.

You can expect your child to get involved in:

**Crafts Sports Nature walks Safety
Sleepovers Cooking Water activities**

Experiments Growing things

Building Exploring

And more...

Helping Others

Beavers work as a team to help other people, in their local communities and beyond.

Whether they're **changing the whole world** or **helping a friend** - they always lend a hand.
