Mr Clive Robinson M.A. B.A. (QTS)

Monday 16th March 2020

Dear Parent,

You will be aware of the ongoing situation with the outbreak of Coronavirus, both worldwide and domestically. The purpose of this letter is to inform you of the measures that we, like other schools, are taking to help minimise its spread.

As the current situation is highly unpredictable, it is impossible to determine if and when we may have to take the extraordinary measure of closing the school. Should the Coronavirus situation develop to the point at which school closure needs to be considered as an option, the advice of both Public Health England and the Department of Education will be followed.

If closure of the school is necessary, we will obviously continue to maintain contact with you through the school website, through email and via our text messaging service. **Teachers will do their best to provide work through these channels.**

In the meantime, we are continuing to follow the current advice to ensure effective hygiene throughout the school and please ask that the guidelines are also followed at home:

- Regularly wash your hands for at least 20 seconds with soap and water;
- Use a tissue to cover your face if you cough or sneeze;
- Avoid touching your eyes, nose or mouth with unwashed hands; and
- Avoid close contact with people who are unwell.

Should your child develop a new continuous cough or a high temperature, please keep them away from school for 7 days.

Your continued support in this matter is greatly appreciated.

Yours sincerely,

Clive Robinson
Headteacher
