Our Lady's Foodbank and Help the Homeless

Newsletter Number 6 - April 2021

Welcome to the latest issue of our newsletter.

Our team hope you are well and are able to enjoy the relaxation of some of the lockdown rules.

Our school Homeless and Foodbank project has continued to run with the help of our wonderful school community and this newsletter is just to inform you of the progress made.

Throughout the recent lockdown, children, families and staff (both in-school and remote learning) have continued to support wherever possible and we are most grateful.

In the most recent count just before Easter 2021, the school community donated an **incredible 743 items!**

That means our running total since the two projects were joined is an amazing 4,397 items. Thank you and well done everyone!

These items have now been given to the following groups:

- 20 overflowing carrier bags provided for families in need in school,
- the remaining items have been sorted, packaged up and delivered to the Hope Centre, Northampton (Homeless) and The Daylight Centre, Wellingborough (Foodbank)

This is Brian from the S.V.P. (Saint Vincent De Paul Society). He kindly took a car-load of items to the Foodbank in Wellingborough for us.

This is Joe at the Hope Centre loading bay. With several other volunteers, he helped unload my car and will sort, cook and deliver meals and items to the Homeless across Northampton.

NASUWT
The Teachers' Union

We are very grateful to the following companies who are currently supporting our projects:

- Morrisons, Northampton (£10 a month),
- NASUWT Teaching Union (£100 donation),
- D'Souza family and friends,
- SVP Society for helping transport items to The Daylight Centre

If you would like to help in any way or to find out more information, please contact Phil Hawkes or Bernie Hobbs at Our Lady's Catholic Primary School on 01933 224900 (school office)

or visit our pages on our school website under 'News and Events' at:

<https://www.ourladyscatholic.northants.sch.uk/>

Thank you for your kind support.
