Our Lady's Foodbank and Help the Homeless

Newsletter Number 7 - May 2021

Welcome to the latest issue of our newsletter.

Our team hope you are well and are enjoying something more like normal life!

Our school Homeless and Foodbank project has continued to run with the help of our wonderful school community and local businesses and this newsletter is just to inform you of the progress made.

In the most recent count just before the May Half-term 2021, the school community donated an **incredible 1,180 items!** This is the highest amount so far and will mean a huge amount to those who receive them.

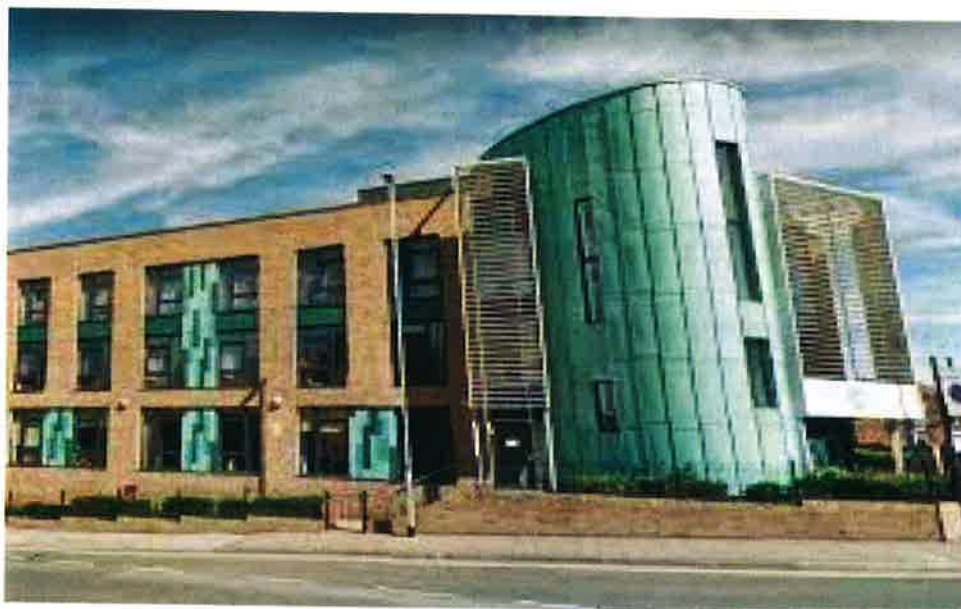

That means our running total since the two projects were joined is an amazing **5,577 items.** Thank you and well done everyone!

These items have now been given to the following groups:

- 10 overflowing carrier bags provided for families in need in school
- the remaining items have been sorted, packaged up and delivered to the Hope Centre, Northampton (Homeless) and The Daylight Centre, Wellingborough (Foodbank)

We are very grateful to the following groups who are currently supporting our projects:

- Morrisons, Northampton (£10 a month),
- NASUWT Teaching Union (£100 donation),
- D'Souza family and friends,
- SVP Society for helping transport items to The Daylight Centre
